DHAL MAKHANI

INGREDIENTS

1 cup lentils

1/4 cup dry kidney beans (optional) water to cover

5 cups water

2 tablespoons salt

2 tablespoons vegetable oil

1 tablespoon cumin seeds

4 cardamom pods

1 cinnamon stick, broken

4 bay leaves

6 whole cloves

1 1/2 tablespoons ginger paste

1 1/2 tablespoons garlic paste

1/2 teaspoon ground turmeric

1 pinch cayenne pepper, or more to taste

1 cup canned tomato puree, or more to taste

1 tablespoon chili powder

2 tablespoons ground coriander

1/4 cup butter

2 tablespoons dried fenugreek leaves (optional)

1/2 cup cream (optional)

METHOD

Step 1

Place lentils and kidney beans in a large bowl; cover with plenty of water. Soak for at least 2 hours or overnight. Drain.

Cook lentils, kidney beans, 5 cups water, and salt in a pot over medium heat until tender, stirring occasionally, about 1 hour. Remove from heat and set aside. Keep the lentils, kidney beans, and any excess cooking water in the pot.

Step 2

Heat vegetable oil in a saucepan over medium-high heat. Cook cumin seeds in the hot oil until they begin to pop, 1 to 2 minutes. Add cardamom pods, cinnamon stick, bay leaves, and cloves; cook until bay leaves turn brown, about 1 minute

Step 3

Reduce heat to medium-low; add ginger paste, garlic paste, turmeric, and cayenne pepper. Stir to coat.

Step 4

Stir tomato puree into spice mixture; cook over medium heat until slightly reduced, about 5 minutes. Add chili powder, coriander, and butter; cook and stir until butter is melted.

Step 5

Stir lentils, kidney beans and any leftover cooking water into tomato mixture; bring to a boil, reduce heat to low. Stir fenugreek into lentil mixture.

Step 6

Cover saucepan and simmer until heated through, stirring occasionally, about 45 minutes. Add cream and cook until heated through, 2 to 4 minutes.
