GREEN BEANS ALLA GENOVESE

INGREDIENTS

450gms fresh green beans, trimmed
Coarse Salt
3 tablespoons extra virgin olive oil
2 large garlic cloves, very thinly sliced
1/4 cup finely chopped fresh chives
2 tablespoons finely chopped fresh parsley
3 to 4 cured oil-packed anchovy fillets, finely chopped
1 large lemon, zested and juiced

INSTRUCTIONS

Step 1: Blanch the green beans. Set a bowl of cold water and ice near the stove. Bring a medium pot of water to a boil and salt the water very well (estimate about 1 tablespoon of coarse salt per 1l of boiling water). Drop the green beans into the boiling salted water and cook for 2 to 3 minutes, just until bright green. Then, use tongs to transfer the green beans to the bowl of iced water and let cool (this will stop the cooking process so the beans stay crisp).

Step 2: Make the garlic chips. In a small saucepan warm the olive oil over medium heat until just shimmering. Drop the sliced garlic in and cook for about 30 seconds or until the garlic has turned golden brown and crispy (it should not be burned). Remove the garlic with a slotted spoon and set aside for now.

Step 3: Make the dressing. In a small bowl, combine the chives, parsley, finely chopped anchovies, lemon zest and juice. Pour the olive oil slowly into the bowl while whisking continuously until the dressing has emulsified. Taste and, if needed, add a small pinch of salt and whisk again to combine.

Step 4: Finish and serve. Drain the green beans well and transfer to a serving platter. Pour the dressing all over the beans and toss gently. Garnish with the crispy garlic and serve.

290g 00 flour
100g butter
50g potato starch
150 g sugar
Cinnamon powder to taste
100g whole milk at room temperature
16g baking powder
1 tsp vanilla
Juice of ½ lemon

Step 1: To prepare grandma's apple pie, first peel the apples and remove the core. Cut them into thin slices. Place them in a bowl with the juice of half a lemon. Mix to distribute the juice better and prevent them from blackening.

Step 2: Melt the butter, cut into cubes, in the microwave for 30 seconds, or in a saucepan over very low heat. Let it cool. While it is cooling combine the flour, baking powder, corn flour and cinnamon in a bowl and whisk to combine. Add the eggs and sugar in a bowl and whisk until well combined - about two minutes, then add the melted butter and whisk to combine.

Step 3: Now add half the dry ingredients and whisk until just combined followed by half the milk, repeat until ingredients are finished

4: When it's ready, add two thirds of the apples to the batter mixture and stir gently until well combined.

Step 5: Pour the mixture into a greased and floured cake tin, preferably a 22cm diameter springform cake tin. Then level it and sprinkle the remaining apples on top.

Step 6: Bake in a preheated oven at 180°C for 55 minutes. Test with a toothpick to see if it's cooked through before removing from the oven. Let the apple pie cool completely before unmolding and serving.

700gms beef fillet
45gms black pepper corns
4tbsp fresh thyme leaves
3 lemons
100g parmesan
150gms wild rocket leaves
Extra Virgin Olive Oil as needed

METHOD

Step 1

Roughly crush the black pepper and 1 tbsp salt in a mortar, place in a single layer on a chopping board.

MELANZANE ALLA PARMIGIANA

INGREDIENTS

1.8kg eggplants – about 5 , sliced lengthways 8mm thick, skin on

1/4 cup olive oil (for brushing)

Layers:

1 2/3 cups parmesan, finely grated

2 cups basil leaves (loosely packed), stalks reserved

1 1/2 cups mozzarella , shredded (for topping)

Sugo (tomato sauce):

2 tbsp extra virgin olive oil

1 onion , finely diced

5 garlic cloves , finely minced

600ml tomato passata

400g canned tomatoes, crushed or finely chopped

1 1/2 tsp white sugar

1 1/2 tbsp fresh oregano , finely chopped (or

1/2 tsp dried oregano, or 1 sprig fresh basil)

1 cup water

3/4 tsp salt

1/4 tsp black pepper

METHOD

1. Preheat oven to 220°C / 430°F (200°C fan). Line three trays: Line three large trays with baking / parchment paper. Brush eggplant with oil: Brush eggplant slices on each side with oil.

2. Arrange eggplant in a single layer on the trays and bake for about 35 – 45 mins or until browning and tender, turning the eggplant halfway. Cool: Remove from oven, leave on trays to cool.

Tomato sauce (sugo):

1. Sauté onions and garlic: Heat olive oil in a large skillet over medium-high heat. Sauté onions and garlic for 3 minutes until softened and just about to colour on the edges.

2. Add remaining ingredients: Pour in the passata , canned tomatoes, water, oregano and sugar. Stir and bring to a simmer.

3. Simmer 30 minutes: Simmer uncovered for about 30 – 40 minutes, stirring occasionally, until thickened, adding the basil stalks halfway through cooking (so they don't lose their flavour).

4. The final consistency should be slightly thicker than a pasta sauce so it's spreadable and not leaching liquid, but not too pasty either. Add extra water a little at a time if required during cooking if it gets too thick. Remove the basil stalks and discard.

5. Season: Stir in salt and pepper. (Remember, we get salt from the parmesan too, so no need to go overboard here)

Assembling and baking:

Reduce oven to 180°C / 350°F (160°C fan).

1. Smear a little tomato sauce in the bottom of baking dish, 23 x 33cm / 9 x 13" (or thereabouts).

2. Layer 1: Lay one third of the eggplant so it covers the base (some overlap is OK when layering eggplant). Spread 1/3 of the remaining sugo over eggplant. Drizzle with a little olive oil. Sprinkle with 1/3 of the parmesan, and 1/3 of basil leaves.

3. Layer 2: Repeat another 1/3 each of eggplant, tomato sauce, olive oil, basil and parmesan.

4. Layer 3 (top layer): Repeat again with remaining eggplant, tomato sauce and some olive oil. Do not put basil on top layer (we will garnish after baking). Scatter with remaining parmesan, then all the mozzarella.

5. Bake for 25 mins until bubbling and golden.

6. Rest: Let it rest for 5 to 10 minutes (easier to slice neatly). Scatter over remaining fresh basil leaves. Cut like lasagna and serve! (Optional: sprinkle with extra parmesan).

ROASTED ASPARAGUS WITH A HERB PANGRATTATO

FOR THE ASPARAGUS AND PANGRATTATO

1 kg asparagus washed, dried and wood ends removed if necessary
3 tablespoons unsalted butter, melted
2 tablespoons olive oil
5 cloves garlic, minced
1/2 cup fresh grated Parmesan cheese (or Parmigiano-Reggiano cheese)
1/2 cup Panko breadcrumbs
2 teaspoons parsley, finely chopped
Zest of 1 lemon
Salt and pepper, to taste (about 1/2-3/4 teaspoon salt and 1/4 teaspoon pepper)

Instructions

Step 1: Preheat the oven to 205°C. Lightly grease a baking tray or sheet with non stick cooking oil spray.

Step 2: Place the trimmed asparagus in a bowl. In a second bowl combine the butter, olive oil, 1 large clove minced garlic, parsley and bread crumbs, mix to combine well. If the mixture is too wet add an additional tbsp of bread crumbs.

Step 3: Add the crumb mixture to the asparagus and mix by hands to carefully and evenly coat the asparagus with the oil and crumbs.

Step 4: Transfer the asparagus and breadcrumb mixture onto prepared baking sheet and arrange into one even layer. Bake for about 10 minutes, or until the asparagus are just tender.

Step 5: Grill for 2-3 minutes until breadcrumbs are golden browned and asparagus has reached desired doneness. Serve warm on a warmed platter.

POTATO GNOCCHI

INGREDIENTS

1kg floury potatoes, medium Nicola are best
2 large eggs, beaten
300g plain flour - divided,
200g + 100g
1tbsp fine salt
Pinch of nutmeg

METHOD

1. Add the whole potatoes in their skins to a pot of salted boiling water. Bring back to the boil and simmer for 10- 15 minutes until just soft (will depend on the size of your potatoes). Test with a knife – the potatoes should be cooked, but not overcooked, otherwise they will be mushy and will have absorbed too much water. Hold them in a dish cloth to peel as they will be hot.
2. Using a mouli/potato ricer/sieve press the potatoes into a bowl or onto a clean work surface. Make a hollow in your pile of potatoes, then pour in the egg, salt, nutmeg and sprinkle over 200g of flour. Start to blend everything with your finger tips,. Work carefully and quickly, as the more you handle the dough, the harder and bouncier it will become. You need the same lightness you would use for pastry.
3. You should now have a soft dough that holds together, doesn't feel sticky and can be easily shaped. Flour the outside of it lightly to make it easier to handle.
4. Divide the dough into 6 equal pieces. Roll a piece at a time into long, thumb-nail thick cylinders on a lightly floured surface, again working lightly and quickly. As you roll you will also be gently stretching the dough. Keep the surface well floured as you don't want the gnocchi to stick.
5. Cut the dough into thumb-nail long lengths. To score the gnocchi use the back of a fork pressed against the gnocchi. This will help to carry the sauce that you use, it is not essential however.
6. Bring a large, deep pot of salted water to the boil. Working with a few at a time, drop in the gnocchi and listen for the wonderful kissing noise they make as they go in. Let them cook for 2 minutes, during which time they will bob back up to the surface, then scoop them out with a slotted spoon. Taste - they should be soffici e leggeri (soft and light), the gnocchi equivalent of al dente.
