

HERBY GREEN BULGUR SALAD

INGREDIENTS

2 cups Bulgur Wheat dry (I used Turkish Bulgur)
3 cups boiling water
1 tsp. Salt or more to taste

1/4 cup olive oil
1 cup cucumber diced
1 Zucchini, diced
1 cup green onion chopped
3/4 tsp. Cumin powder
3 tbsp chopped chives
1 lemon juiced
2 tbps. pomegranate molasses
2 tablespoons Jalapeño Pepper
1 stalk celery chopped
1/2 cup crumbled feta cheese

For the Herb Dressing

1/2 cup whole milk Greek yogurt
1 cup fresh parsley
1 cup mixed soft leafy herbs, dill, mint, tarragon and/or cilantro
2 tablespoons chopped chives
2 tablespoons fresh lemon juice, plus 1/2 teaspoon zest
1 tablespoon extra-virgin olive oil
2 teaspoons capers
1 small garlic clove
1/4 teaspoon sea salt
Freshly ground black pepper

METHOD

Step 1

In a bowl, soak the bulgur with the boiling water for 20-30 minutes, mixing occasionally until they are soft and tender. Bulgur should not be chewy. Set aside to cool completely.

Step 2

Meanwhile dice and chop all your ingredients.

Step 3

In the bowl of a food processor combine all your ingredients for the dressing and blend until smooth.

Step 4

Add in the bulgur and mix to coat well with dressing.

Step 5

In a bowl, add in all the salad ingredients with the bulgur, lemon juice and cumin. Taste to see if you prefer to add more salt.

Step 6

Drizzle with pomegranate molasses and serve right away or store in the fridge and serve cold.
